### **Icom Sponsors First Virtual QSO Today Expo**

**KIRKLAND, Wash. (July 2020)** – Icom America is proud to be the Platinum Sponsor of the first QSO Today Virtual Ham Radio Expo, on August 8th and 9th, 2020. Eric Guth, 4Z1UG, QSO Today podcast host, and his team will execute a full-blown ham radio convention on a virtual platform that will allow all attendees to experience and to interact with a full exhibit hall, speaker auditoriums, and lounges for sponsors and special interest groups.

Ray Novak, N9JA, Senior Sales Manager at Icom America, said, “with the cancellation of all of the major hamfests and conventions, including the Dayton Hamvention®, Icom sees the QSO Today Virtual Ham Radio Expo as an opportunity to engage thousands of hams around our new products, including the IC-705 portable transceiver.”

**Register** today for the inaugural QSO Today Virtual Ham Expo. This ground-breaking event will be viewable on a desktop/laptop computer, tablet, or smartphone, and the exhibit hall will be open for at least 30 days following the event.

Without in-person trade shows on the 2020 calendar, we look forward to discovering all of the opportunities the virtual universe can provide to amplify engagement with our clients and

AIR. LAND. SEA.

customers. Icom is dedicated to the promotion and enrichment of the Amateur radio arena and welcomes opportunities to do so. Check out the ever-expanding list of community **activity** and our quality amateur radios **online** to see why hams everywhere know and love Icom.

**For the love of ham radio.**
